EDUCATION

Chandigarh University | Mohali, Punjab

Bachelor of Engineering in Computer Science | GPA: 6.93

August 2028

Relevant Coursework: Data Structure and Analytics in C++ , Database Management Systems

TECHNICAL PROJECTS

Learning Management System (LMS) with Notes Feature | Personal Project

- Developed a full-stack LMS using Spring Boot and React to display subject-wise coursework and enable note-taking
- Integrated MongoDB for persistent storage and implemented RESTful APIs for subject-based note management
- Enabled real-time data flow between frontend and backend using fetch API for dynamic UI updates

Face Recognition Attendance Management System | Personal Project

- Utilized the machine learning-based face_recognition library (built on dlib) for encoding and matching faces with high accuracy, alongside OpenCV for camera integration and image processing. GUI with Tkinter and linked to database using SQLite3
- Added functionalities for student ID search, real-time attendance marking, and full data reset for testing cycles.
- Integrated key Python libraries including face_recognition, OpenCV, SQLite3, Tkinter, NumPy, and os for smooth end-to-end system performance.

SKILLS

Languages - C++, Python, Java, SQL

Frameworks/Technologies - Spring Boot, FastAPI, React, MongoDB

Concepts - OOP, Data Structures, DBMS, Problem Solving

PROFESSIONAL EXPERIENCE

National Recruitment Agency (NRA) – National Digital Recruitment Platform (NDRP)

Backend Developer Trainee | Dec 2025 – Jan 2026

- Developed RESTful APIs using FastAPI (Python)
- Implemented backend features and optimized system performance
- Debugged production issues and improved deployment understanding

PARTICIPATIONS

- Participated in Code Escape hackathon | GFG & Alexa Developers Community
- Advanced to Final Round in AlgoArena 2.0 hackathon| Chandigarh University

CERTIFICATIONS

- Python for Data Science , AI & Development | IBM , Coursera
- Python Data Analytics | Meta ,Coursera
- Using Databases with Python | University Of Michigan , Coursera
