

Kartik Tyagi

QA Engineer | Manual & Automation Testing
tyagikartik548@gmail.com | 9058057372

SUMMARY

Results-driven Quality Assurance (QA) Engineer with 4 years of experience in manual and automation testing across e-commerce, healthcare, AI products, and government regulatory portals. Skilled in the full Software Development Life Cycle (SDLC) and Software Testing Life Cycle (STLC), including test case design, test planning, and building scalable automation frameworks using Playwright and Selenium. Experienced in API testing, AWS cloud testing, defect management, and leveraging AI agents with MCP server integration to optimize manual testing efforts and accelerate release cycles for high-traffic applications.

SKILLS

Automation Testing: Playwright, Selenium

API Testing: Postman

Programming Languages: Core Java, JavaScript, MySQL

Manual Testing: Test Case Design, Test Planning, Test Strategy, Bug Lifecycle Management, Regression Testing, Smoke Testing, Functional Testing, User Acceptance Testing (UAT), Exploratory Testing, Integration Testing, Sanity Testing, Cross-Browser Testing.

Methodologies: Agile, Scrum, SDLC, STLC

Tools: JIRA, GitHub, LambdaTest, TestRigor, AWS Cloud Testing (Basic)

AI-Enabled QA: MCP Server, Generative AI Tools (Basic)

WORK EXPERIENCE

Software Tester | Nippon Data Systems Ltd, Noida | July 2025 - Present

- Design and execute test plans, test cases, and test scenarios for a web-based National Regulatory Authority platform.
- Analyze Business Requirement Documents (BRD), Functional Requirement Documents (FRD), and user stories to define test coverage.
- Developed and automated 50+ end-to-end test scripts using Playwright (JavaScript/TypeScript), improving test coverage by 40% and reducing manual testing effort by 30%.
- Perform API testing using Postman for license submission and tracking modules.
- Log, track, and verify defects using JIRA throughout the full defect lifecycle.
- Conduct functional, regression, smoke, sanity, integration, and UAT testing across multiple modules.
- Participate in sprint planning, daily stand-ups, sprint reviews, and retrospectives in an Agile/Scrum environment.

QA Tester | Andor Communication Pvt. Ltd, Noida | November 2024 - January 2025

- Performed manual testing on web applications to validate functionality and usability.
- Created detailed test cases and documented defects, supporting developers in prioritizing and resolving issues.
- Managed the complete defect lifecycle using JIRA, improving bug resolution turnaround time.
- Led functional and exploratory testing for LightX AI features, ensuring high accuracy in AI-generated outputs and image processing.

Quality Assurance Analyst | Ameotech Informatics, Mohali | March 2023 - September 2024

- Performed functional, regression, integration, and UAT testing for Hospital Management Systems to ensure application stability and regulatory compliance.
- Developed and automated 50+ test scripts using Selenium, improving testing efficiency and reducing execution time by 30%.

- Collaborated with healthcare professionals and end users during UAT, providing actionable feedback that improved system usability and performance.
- Tracked, reported, and prioritized defects using JIRA, ensuring timely resolution to maintain project timelines.
- Designed and implemented test plans, test cases, and test strategies for healthcare applications, aligned with clinical and regulatory requirements.

Software Tester | Cedcross Technology Pvt. Ltd, Lucknow | December 2021 - January 2023

- Conducted functional and compatibility testing for Shopify integration apps and e-commerce plugins.
- Reported defects using GitHub and verified resolution through retesting.
- Validated integrations between Shopify and marketplaces such as Amazon to streamline order and listing management.
- Collaborated cross-functionally to optimize test processes and ensure high-quality releases.

EDUCATION

Master of Computer Applications (MCA)

Meerut Institute of Engineering and Technology, Meerut | 2018 - 2020

Bachelor of Computer Applications (BCA)

Swami Vivekanand Subharti University, Meerut | 2015 - 2018
